I have seen so many with give and pride I have seen by source pass through time I meet with some who with his divide Their loys, but my joys have gone in t Though God that no misery nughs may send To mar a life of love.

When no hopes are there to defend !, No warp of grief they all have wove Can drag my affections in ! Quietly, saily, days may poss;
While others are giorying I will be still.
I will sin for the good and scatter the ill.
I will find my all in the end. I will look upon vanity all as grass And take what Heaven may send. There is pleasure yet for me in the world,
I will find it yet and you may depend
Your loyer I am happy, though death ha from my lips, the most delicate glass I could

day last.

—The Memphis Presbytery is now Cash Advances holding a meeting at the church in Som-crville, and the Fulcon says there are a "Henry Ames, St. Le mumber of strangers in attendance.

The san e paper gives the following:
On Sinday high hast several outhouses and a portion of the dwelling of H. B.
S. Williams, near Hickory Wythe, in this county, were destroyed by fire, and it was with great difficulty the entire boilding was prevented from being consumed. Three negroes, Berry Tidwell, Ike Rodgers and Sam Davis, employed on the place, being suspected of having fired the houses, a warrant was procured and the parties arrested, and upon a trial before Esquire Lynn, Rodgers and Davis were found guilty and are now confined in the jall at this place. Tidwell was acquitted.

The Columbia Heroid, speaking of Col. Polk's death, gives the following commands. Larry Harmstait & Co., mber of sizangers in attendance. COTTON New York, New Orleans & Liverpool. PROVISION DEALERS

His wife ran to the door, when the assausin bade her retire, but on learning that he had shot Mr. Anderson expressed did. his regret, saying that he was not the The upper Mississippi, from Lake right man.

The Water Valley Courier, a new paper just started at Water Valley by Ed. A. Garland, formerly connected with the Holly Springs Reporter, says at least thirty new buildings are in course of greedlen in that place, and a great many more under contract, to be completed more under contract, to be completed more under contract, to be completed will be atwhiskered and florid-complexioned, but during the coming summer.

The gentlemen of Okolona contem- full of good humor and politeness." The plate giving a grand tournament and coronation fancy dress ball at that place, on the 8th and 9th days of May. The first day's prize will be a splendid double cased Geneva lever enameled gold there are nine planes on board besides

the benefit of distressed widows and her to France 3000 passengers." The "ship" is evidently a very sanguing WASHINGTON CORRESPONDENCE, WASHINGTON, April 10, 18

washing the party and we fear her "hopes" may be disappointed—which would be very dreadful.

The senate having ratified the treaty for the acquisition of the Russian powersions at Sitka, the United States flag will fly in sovereignty in the arctic circle. This is the first acquisition of detached territory that has yet been made by the United States. There seems to be no one sanguine enough to magine that a state can be formed up there, when almost the entire population is and must continue Esquimaux. Hence this region must be permanently governed as a dependence. The significant point in this action of our government is, that it indicates the desire of the northern people for the acquisition.

northern people for the acquisition senger on the Commercial last night. All orders of British America. When we conof British America. When we consider the immense empire already possessed by the United States, it seems strange that such an avidity should exist for such vast additions of territory, most of which is utterly useless for the purposes of civilization. When one contemplates the physical extent of the United States already, and the wast increase of population naturally to be expected in comparatively a short period.

100 bhis, Flour; sident of the United States, being a and all efforts of the firemen to save it ordinate department of the govern-were unavailing. The fire herespent its force, and by half-past twelve o'clock ment, cannot the state has any cause to complain of the acts of congress in this instance, relief must be sought by suing each or any individual person executing such acts within her limits. The counsel for the state rely on the principles laid down in Marbury vs. Madison, and Stockton vs. Kendal. In that and other cases the court decided that when the duty to be performed by a public officer was simply ministerial, not involving the exercise of discretion, that the court was slupply ministerial, not involving the exercise of discretion, that the court decided that when the duty. The question of debate, then, on this preliminate objection, is whether.
